Easter for Christians is not just one day, but rather a 50-day period. The season of Easter begins at sunset on the eve of Easter and ends on Pentecost, the day we celebrate the gift of the Holy Spirit and the birth of the Church. Easter is also more than just an extended celebration of the resurrection of Jesus. In the early church, Lent was a season for new converts to learn about the faith and prepare for baptism on Easter Day. The initial purpose of the 50-day Easter season was to continue the faith formation of new Christians. On this Third Sunday of the month we deal with one of the seminal aspects of the life of a disciple.
